

Brainstorming Handout

Name: _____ **Date:** _____

Make a list of chores or things you have to do every day or every week.

Chore 1 _____

What makes this chore hard?

What tools or objects are already used for this chore?

What would you like to change about how this chore is done?

Chore 2 _____

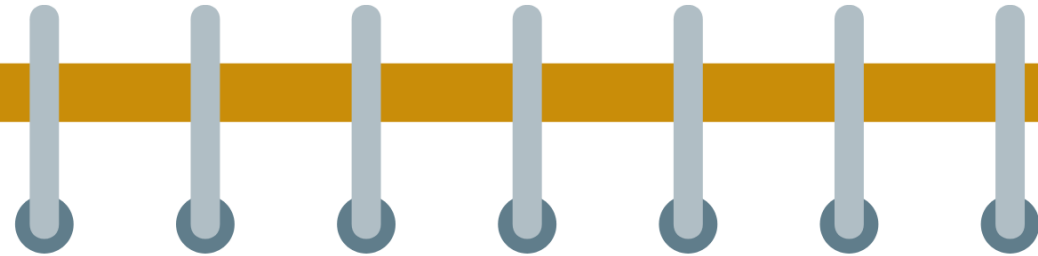

What makes this chore hard?

What tools or objects are already used for this chore?

What would you like to change about how this chore is done?

Name: _____ **Date:** _____

What kind of tool or machine could help with this chore?

Could you change how the chore is done?

What materials or shapes might work best?
