

STORYBOARD

In each block, create a visual or narrative description of the scenario and how it evolved. Add elements of music that will be used to connect the context of the actions to the music you will create.

1		What elements of music will match the actions or events in this block?
---	--	--

2		What elements of music will match the actions or events in this block?
---	--	--

3		What elements of music will match the actions or events in this block?
---	--	--

4		What elements of music will match the actions or events in this block?
---	--	--

5		What elements of music will match the actions or events in this block?
---	--	--

6		What elements of music will match the actions or events in this block?
---	--	--

Story Structure
